Taxation Services Guide

Taxation, Accounting & Business Advice

Our Taxation Services Guide outlines, among other things, who we are, the services we provide and the fees charged for those services. It is important that you read this document to ensure that you understand the nature of the services being provided. When you engage our firm you are doing so on the understanding that the information contained in this Taxation Services Guide [TSG] forms the basis of the engagement.

This TSG is subject to change without notice.

Our Mission

To be your first choice for taxation and accounting services.

Who are we?

Aylward & Hudson Pty Ltd (ABN 26 104 559 542) is a CPA Public Practice company that is owned and run by Sharon Aylward and Kate Hudson (CPA). We are a boutique accounting firm that is able to offer experienced yet personal accounting and taxation services.

Aylward & Hudson Pty Ltd was created in 2010 and the directors have over 40 years combined practice experience between them.

How do you engage us?

Our firms act on instruction. This means that if you want us to do something for you, you must ask us to do so. We will of course make unsolicited recommendations to you from time to time on matters we think may be of interest, however these recommendations will still need your instructions to proceed.

How do we charge for our services?

Most of our fees are a fixed price based upon a quote or by reference to our standard fee schedule.

If the work you instruct us to do cannot, by design, be quoted then we charge on a time expended basis at intervals of 30 minutes. This type of work is charged at rates from \$125 per half hour [incl GST]. The rate used depends on the type of work requested. We have a minimum fee of \$125 [incl GST] for any service.

How do we get paid?

We do not offer standard credit facilities. All our services are charged on either an upfront or on completion basis - or a combination of both. The method adopted is standard for all clients and is advised at the time of accepting each instruction from you. We accept cash, cheques, Mastercard & Visa.

Tax Returns that are required to be lodged with the Australian Taxation Office will not be lodged until full payment of your account has been received.

Director's Guarantee

If the entity engaging our services is a Company, then it is a condition of engagement that all debts between the Company and Aylward & Hudson Pty Ltd are personally guaranteed by the Directors of that Company.

Client Engagement

In providing services, it is agreed we will not be undertaking an independent audit of the financial statements or income tax returns prepared. Our role will be limited to assistance in the compilation of the financial statements and preparation of tax returns based on the information and records provided by you to us. We are entitled to rely on the records provided as being both accurate and complete. Our engagement cannot be relied upon to disclose irregularities including fraud, other illegal acts and errors that may exist.

We are required by the *Tax Agents Service Act 2009* to satisfy ourselves as to the reasonableness of the information and claims being made in your income tax returns. As such you may be required to provide further information and documents upon our request.

Our objective is to ensure that all of your work is completed in time to meet the ATO lodgement dates. This is reliant on receiving your work within a reasonable time period prior to those dates (our recommendation is not less than 30 days) and having timely answers to queries raised.

Please note any advice we give you is only an opinion based on our knowledge of your particular circumstances.

Work Scheduling

We generally schedule work on a "first come first served basis." If you have a matter that needs urgent attention please let us know and we will endeavour wherever possible to give it high priority.

Correspondence / Email

If you provide us with your email address you are permitting its use for all communications with our firm and on all matters pertinent to our relationship. If you do not wish for us to use your email please advise us in writing.

What services do we provide?

We provide services under the following categories:

- Taxation and Accounting
- Business Development
- Management Accounting

Refer to our "Client Services Schedule" for full details.

Your obligations & rights

The *Tax Agents Services Act 2009* requires us to advise you of your rights and obligations where we are acting for you on taxation matters. In relation to the taxation services provided:

- You are subject to the self-assessment system in relation to any of your tax returns. Where any information provided in your returns is later found to be incorrect, the Commissioner may amend your income tax assessments and, in addition to any tax assessed, you may also be liable for penalties and interest charges.
- You have an obligation to keep proper records that will substantiate the taxation returns prepared and which will satisfy the substantiation requirements of the *Income Tax Assessment Act*. Failure to keep records could result in claims being disallowed.
- You are responsible for the completeness and accuracy of the particulars and information required to comply with the various taxation laws. We will use this information supplied in the preparation of your returns.
- Your rights as a taxpayer include:
 - The right to seek a private ruling
 - The rights to object to an assessment by the Commissioner
 - The right to appeal against an adverse decision by Commissioner

Certain time limitations may exist for you to exercise these rights. Should you wish to exercise these rights at any time you should contact us so that we can provide you with the relevant time frames and discuss any additional requirements which may exist.
